Dr. LI: Happy Spring Festival!

You have successfully received [C:\Documents and Settings\DBN\My Documents\My Received Files\Elite US Strains.xls](#) from Li Shaoming.

Li Shaoming says:

Good! Very good! Excellent!

Li Shaoming says:

Did you see the other messages I sent before?

Hailong says:

I have received the updated email. This task is top priority. I will try my best to coordinate and maneuver.....

Hailong says:

I will communicate with you for advice when I have questions.

Li Shaoming says:

The seed enterprise army wants to thank you. The breeds on the last *sheet* in the email I just sent you are in the order of high importance to low importance (sorted by number of experiments at each location). I will send you the breeds in the US corn productivity contests in a couple of days. All contest winning breeds are on the priority collection list.

Hailong says:

Does the red colored portion in the document have special meaning?

Li Shaoming says:

Red color means the breed has ranked on top five in at least two area tests and is a key breed.

Hailong says:

Ok.
